LEOMINSTER STREET GUIDE
and DIRECTORY of HOUSEHOLDERS.

EXPLANATORY NOTES.

In the street guide residences and places of business are designated by their street number and are arranged in numerical order.

Names are given of all in business and householders.

The streets are arranged in alphabetical order and the intersecting streets are given at the proper number where they intersect. In cases where no intersecting number could be given the street intersection is dropped.

In cases where streets are not numbered the householders are arranged in alphabetical order and on streets which are partially numbered and there are houses that have no numbers, those residents having no numbers are arranged alphabetically following those that have numbers.

The word vacant after a number signifies that the house or store at that number was vacant when canvass was made.

A dash (—) signifies that no number has been assigned.

The abbreviation r between the street number and the name signifies "rear."

* Denotes parties having telephones.

Take the Old Directory Home

OR BUY A NEW ONE

Your Wife

will find the names and addresses of many friends, including those in Apartment Buildings. She will tell you that the Directory is just the thing for invitation lists.

Your Daughter

will be glad to have ready information on how to get strange addresses, Church Data, Club and Organization Statistics, Postal Regulations, etc.

Your Son

will find it both interesting and instructive. When he grows up he will know where to quickly find information business men need.

Your Mother

will read the carefully prepared introduction and marvel at the way the city is changing.

You

may use it yourself to settle the identity of persons mentioned in newspapers; discussions that come up in the homes, and for many other purposes.

THE City Directory is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the classified list of those who sell do themselves great injustice. The classified lists in the Business Directory form the best Buyers' Guide on earth. A modern up-to-date method of getting what you want.
